DOC. MICRO. SER.

1. Joachim Hans Walter ZECH-MENTWIG & Sven Joachim NANSEN, born 10 July 1916 in Thorn, West Prussia was the subject of EGNA-3704, 1 Mar 54 and EGNA-4035, 9 Apr 54, copies of which were sent to FOB. We are attaching hereto an extra copy of MGFA-3014, 28 March 1950.

2. ZECH-MENTWIG was also the subject of a Bv query for traces, transmitted in MGNA-103, 6 May 52. According to this dispatch, he was alleged to maintain Communist contacts and to be engaged in espionage activity, and the Bv suspected that he might be serving as an informant for some American or Allied IS. His present or former address, as given by the Bv at that time was Bad Godesberg/Mehlem, Schloss str. 11, and Winckendorn/Kevelaer, Heidehof.

3. CARAVEL report attached to EGQA-22401, 6 Aug 53 reported that Subject was suspected of having illegal connections to East Zone offices, and of having attempted to peddle illegally some timing devices for German anti-aircraft shells. The case was dropped, without its ever having come to trial due to lack of evidence.

4. CARAVEL report attached to EGQA-40184, 26 April 54 Stated that on 18 March 54 in the course of a search of the office of lawyer Dr. FELDMANN, Bonn, Kaiser Str. 6 a brown suitcase was found which contained an automatic pistol, and munition belonging to Subject. ZECH-MENTWIG claimed that the weapon was his former army pistol, although he was not in possession of a weapons-permit. This matter was turned over to the Kripo in Bonn for further action. The search of Dr. FELDMANN's office was conducted in connection with the material on the Alfred BRIDGEMAN case which ZECH-MENTWIG was attempting to sell. (see EGNA-4035).

5. COM files contain no further traces on subject.
